

aircraft carriers a history of carrier aviation and its influence

Tue, 15 Jan 2019 22:23:00

GMT aircraft carriers a history of pdf - An aircraft carrier is a warship that serves as a seagoing airbase, equipped with a full-length flight deck and facilities for carrying, arming, deploying, and recovering aircraft. Typically, it is the capital ship of a fleet, as it allows a naval force to project air power worldwide without depending on local bases for staging aircraft operations.
